

Bill Stafford, M.A.
Transformational Life Coach

- Do you sometimes have the feeling that there is more to life than you are currently experiencing?
- Do you want a more fulfilling career or business?
- Could your relationships be deeper and more meaningful?
- What is getting in the way of living the life of your dreams?
- What do you want to create with your life?

With personal Transformational Coaching you will gain perspective, unleash your creativity, improve business and personal relationships, and create a life of purpose, balance and authentic self-empowerment. Bill can assist you in bringing focus, clarity and direction to your life.

* * * * *

Bill has earned Master's Degrees in both Music Education and Spiritual Psychology. He is also a certified Grief Recovery Specialist and Health Rhythms Facilitator. He has a multi-industry background including education, non-profit management and career transitions. Working with the non-profit organization, Smiling Hearts Center, he developed and delivered educational seminars including their signature "Moving Through Grief" program.

For over five years Bill was a Consultant for Right Management, an international career management and transition company. He was a successful and sought after facilitator assisting over 1000 individuals in gaining their balance, finding their passion and moving forward in their lives with commitment and confidence.
